

Fathers are wonderful people  
Too little understood,  
And we do not sing their praises  
As often as we should...  
But FATHERS are just wonderful  
In a million different ways,  
And they merit loving compliments  
And accolade of praise,  
For the only reason Dad aspires  
To fortune and success  
Is to make the family proud of him  
And to bring them HAPPINESS...  
And like our Heavenly Father,  
He's a guardian and a guide,  
Someone that we can count on  
To be with us on our side.

## HAPPY FATHER'S DAY

### The Outline for the upcoming green projects to St Monica's.

#### 6) Now what? What can we do concretely in St Monica Parish?

We are looking to start an environmental group in Sta Monica parish. We want to be inspired by what others are doing, at group and parish levels, but we also want to do our own thing – and we need you. What could be concrete ideas on what the St Monica Parish group could do: do we want to care for our own grounds, work with youth, or with remote partners? Shall we change our consumption or lifestyle habits? What do we need to learn, and with whom can we work to achieve what we want? We can start by organizing a few events, webinars or maybe in-person meetings, following a synodal approach. Let us consider how we can build on the Laudato Si' Action Platform – we could even apply to an entire seven-year program as a parish. It might be worth planting the seed. If you're interested, write to [emanuel.hillel@gmail.com](mailto:emanuel.hillel@gmail.com) to exchange about the events and activities we can plan together.
