St. Monica's

We would like to acknowledge that we are gathered on the **traditional ancestral, unceded, indigenous land** of the **Kanien'kehà:ka Nation and Anishinabeg Nation** to whom we are grateful for the opportunity to live on this land and recognize these First Nation people as the custodians of the lands and waters on which we gather today.

- **We the people of St. Monica's Parish**, state our position on the vital issues of our **First Nations**.
- **We stand** with them in solidarity as brothers and sisters in this our common home.
- **We acknowledge** that we are on **ancestral, traditional, unceded** land.
- **We acknowledge** the part played by our government and church in the horrific treatment in the establishing of residential schools.
- **We acknowledge** that the findings of **Truth and Reconciliation** commission have not yet been fully implemented.
- **We acknowledge** that we are in need of education.
- **We vow** to listen to your voices.
- **We vow** to educate ourselves.
- **We vow** to pressure our church to take **responsibility** and to **apologize**.
- **We vow** to take action to right the wrongs.
- **We vow** to continuously keep these issues in the forefront.
- **We pray** to our **Creator God** for guidance, strength and courage to stand by this statement.

NDG Community Council

St. Monica's has a vision of being a visible presence in the community of NDG. One way of accomplishing this is to have a parish representative sit on the NDG Community Council. The purpose of the Council mobilizes residents, groups and organizations to work together to improve the quality of life of all people in the community through different strategies such as organizing public assemblies, supporting residents initiatives, etc. One aspect of the council is the Round Tables. These meetings are a space for communications with those who share a desire to improve life in NDG. Bilingual meetings are held regularly that honour and respond to the multiple needs and interest of its participants. **Each organization is allowed one delegate and one alternate.** Membership in the council is a meaningful way to improve the quality of life for everyone in the community of NDG. Our parish is working hard to enrich and restore parish life after COVID-19. We are hoping our parishioners are also anxious to participate in a vibrant parish. **We are seeking two people who would be willing to represent St. Monica's on the NDG Community Council** Interested parishioners can contact the parish office at 514-481-0267.
