

An Honor for St. Monica's – Serra Club Awards

The Serra Club and the Archdiocese of Montreal once again are offering awards to a number of altar servers active in the churches of the Archdiocese. The criteria for the awards include length of service, expertise, discretion, dependability, availability and good humour.

We are happy to announce that two servers from St. Monica's have won the awards. Emilio Falcone and Bianca Falcone – their parents are Antonio Falcone and Julie Lajeunesse – have been active as Altar Servers in our parish for 3 years. In the care and devotion they demonstrate in their service, they are fine examples to the younger and less-experienced servers.

The awards will be conferred by Archbishop Lepine on 16 June. The Pastoral Team of the Parish is justly proud of their accomplishment, we thank Emilio and Bianca and their parents, and we wish them well in the future.
