DEVELOPMENT & PEACE – “Reaping Our Rights”

Development and Peace – Caritas Canada, the official International Development Organization of the Catholic Church in Canada is a democratic movement for global solidarity rooted in Catholic Social Teaching.

D&P – Caritas addresses the root causes of poverty, oppression and inequality by working with partners in the global South and mobilizing Canadians in the common struggle for justice and dignity.

D&P champions women and social movements as key agents of lasting change.

This Fall we will continue our “Create Hope, Reaping our Rights” campaign, we will encounter peasant and rural communities who care for the earth and feed the world. In solidarity with them we will call on Canada to adopt mandatory human rights and environmental due diligence legislation so that no Canadian companies can trample on their rights.

D&P – Caritas is supported by the Canadian Council of Bishops.
