### DEVELOPMENT & PEACE

> Development & Peace "Stand for the Land." The Aguan Valley in northern Honduras is wracked with deadly conflict. In 1992 trouble began with the adoption of a new law for the modernization and development of the agriculture sector. The law which facilitates sales of land to big agribusiness, led to escalating land conflicts well into the 2000's. The government kept granting vast land concessions for palm oil plantations, driving peasants and Indigenous communities off their land.

> Next week, D&P will ask us to sign a letter which will be delivered to the Honduran Ambassador. These are a few points stated in the letter. Restore the protective areas of the National Park. Cancel all mining projects that hold irregularly issued licenses. Provide full and fair reparations to the families of three slain human rights defenders and the Guaninol eight who were unjustly detained for 914 days. Investigate, arrest and prosecute those involved in the assassination of the three human rights defenders.

### ADVENT CANDLES

Advent Candles are available at the back of the church. We ask for a donation of \$10 for each bundle. Thank you.
